NETWORK HERO PPRA

The Network Hero Award acknowledges an individual whose work has contributed to the significant improvement of a community's road network and pavement assets. Award winners can demonstrate the ways in which their planning and decision-making has positively influenced the overall condition of the network over time.

SUBMISSION REQUIREMENTS:

Submitters must include a high-level summary in paragraph form and attach relevant documentation with their submission.

All nominations must be sponsored by a member of AEMA, ARRA, and/or ISSA. Sponsorship, in this case simply means that a member company has agreed to have their name included on the nomination submission. It does not require any cost to the sponsoring company, nor does it require the member company to act as submitters. Member companies may sponsor or submit multiple nomination submissions.

ACCEPTABLE DOCUMENTS:
Word documents, Powerpoints, JPEG and PNG images, PDFs and Excel documents.

UPON COMPLETION OF THE FORM (FOLLOWING PAGE)**:**

Email this form and any documents that demonstrate success or support the submission with the subject line 2024 Network Hero Award Submission. Where relevant, we recommend that you include historical data, plans/approaches, and/or photos to tell the story. In some cases, it may be easiest to compile imagery and graphics into a single file (slide presentation or PDF) to include accompanying commentary or explanation.
